OFFERING #10

Orchid SEEDLINGS IN COMMUNITY POTS

These seedlings are in community pots containing from 5 to 15 plants per pot. The plants may need repotting in 1 3/4" pots either now or within the next three months. We will take orders for NO LESS THAN A MINIMUM OF 10 PLANTS of any one variety. However, because the plants are in community pots we can only approximate your order.

Please, DO NOT include payment with your order. Payment should be made upon receipt of acknowledgment or invoice.
